5.8 With particular regard to the service of reception and transmission of orders, the IF, upon acceptance of the order, shall only be obligated to duly transmit to a person or persons having the ability to execute such order.

5.9 The Client acknowledges and accepts the risk of mistakes or misinterpretations in the orders sent due to technical or mechanic failures in the electronic or telephone or fax or other systems, the risk of delay or other problems as well as the

risk that the orders may be placed by unauthorised persons. The Client accepts that during the reception and transmission or execution of his order, the IF shall have no responsibility as to its content, the identity of the person placing the order or his power to manage the Client's account with the IF or to dispose of the underlying Financial Instruments or for any delay in the reception and transmission or execution of the order except only for fraud or gross negligence. The Client shall be obliged to indemnify and keep indemnified the IF or its directors or its employees or its representatives for any claim by third parties or damage, obligation, costs or expenses which the IF or any third party may incur or sustain as a result of the reception and transmission or execution of the orders.

5.11 The Client shall be exclusively responsible for the persons employed for the transmission of the orders and shall be precluded from claiming against the IF any defect during the transmission of the order in relation to the person transmitting the order to the IF, even where the said person has acted fraudulently or with gross negligence. The Client shall be bound unto the IF for each and every order transmitted to the IF in his name through such person and any relevant claim by him shall be limited exclusively to a claim against the person transmitting the orders.

5.12 Where the Client does not provide the information in relation to his knowledge and experience in the investment field relevant to the specific type of product or service offered or demanded so as to enable the IF to assess its appropriateness for the Client or where the Client provides insufficient information regarding his knowledge and experience, the IF will warn the Client that it is not in a position to determine whether the Service or product envisaged is appropriate for him. Further, in such case the IF reserves the right not to proceed with an instruction and or execution order and or the provision of any of the Services, if it deems that such action shall not be in the best interest of the Client. Similarly, when providing the

service of Investment Advice or Portfolio Management, where the Client does not provide the information in relation to the Client's financial situation including his ability to bear losses and his investment objectives including his risk tolerance so as to enable the IF to recommend to the Client investment services and financial instruments that are suitable for him, the IF reserves the right not proceed with the provision of the service of Investment Advice or Portfolio Management.

5.13 Unless specifically instructed by the Client to the contrary and to the extent permitted by law, the IF may execute the Client's orders upon any market or exchange and through any clearing house selected by IF, including executing a transaction outside a trading venue. The Client shall bear the costs and expenses for the dispatch or transfer of the Financial Instruments or other property assets. Provided that the IF maintains the rights he would otherwise have against the Financial Instruments or property assets in relation to the Client's obligations under the Agreement.

10.4 The above are not exclusive of other references to safe keeping of or parting with Financial Instruments or assets belonging to the Client set out in the Agreement, any Addendum or any other agreement entered into between the Parties.

11. Client's Account

11.1. All cash amounts and funds delivered by the Client to the IF for the purpose of acquiring of the Financial Instruments or which are the proceeds of sale of the Financial Instruments of the Client or which the IF holds for the account of the Client for any reason or purpose shall be held in the name of the Client and or in the name of the IF for the account of the Client in a credit institution or another investment firm as shall be agreed from time to time with the Client.

11.2. By signing the Agreement the Client authorises the IF to proceed to any deposits or withdrawals from the account referred to in **clause 11.1** on behalf of the Client including, without prejudice to the generality of the above, withdrawals for the settlement of all transactions undertaken in the context of this Agreement and all amounts payable by or on behalf of the Client to the IF or to any other person.

12. NON-ADVISED BASIS

12.1 The Client agrees that, unless otherwise expressly agreed in a relevant Addendum and or another agreement between the Parties, the Services provided by the Agreement shall be provided, where permitted by Law and in particular the Commission Delegated Regulation, on an execution only basis of the orders of the Client by the IF and the Client should not expect from the IF the provision of any Investment Advice unless the IF expressly agrees to provide such Services. To the extent permitted by law, any news, prices, opinions and any other information which may be provided to the Client are simply provided to enable the Client to take his own investment decisions and do not constitute personal investment advice. In case the IF is deemed, for any reason to provide any recommendation or advice the Client hereby agrees that any transaction carried out by following or alternatively ignoring any such recommendation or advice shall be deemed to have been carried out by the Client based exclusively on his own judgment.

12.2 The Client agrees and acknowledges that he shall not rely on the IF for any investment strategy and the IF shall absolutely have no responsibility, irrespective of the circumstances, for any such investment strategy, or investment.

12.3 In case the Client requires the IF and the IF agrees accordingly to provide the Client with the service of provision of Investment Advice the above **clauses 12.1**

and 12.2 shall not apply and the Parties shall sign an additional separate document for this purpose whose provisions shall apply specifically for the service of Investment Advice. The provisions of the Agreement shall apply to the extent that they do not conflict with provisions of such document.

13. Dividends and other Rights

13.1 The Client shall be responsible for doing all necessary acts for the collection of all income and the acquisition of all rights and the exercise of the voting rights deriving from his Financial Instruments unless otherwise provided for in the Agreement.

13.2 Without prejudice to the generality of the provisions of the above clause, dividends, distributions and other income arising from the Financial Instruments of the Client and received for any reason by the IF, shall be collected by the Client from the IF's address following a relevant notice of collection by the IF or shall be deposited in the Client's account with the IF, unless the Client shall give other instructions in writing. If the Client requires the dispatch of his income, the IF shall do so, but the Client shall have full responsibility for any risk involved and shall bear all relevant cost.

13.3 Without prejudice to the generality of the above provision, the Client understands and agrees that he is and shall be solely responsible for having knowledge of the rights and terms of issue of all his Financial Instruments which may be terminating or expiring. These include, without any limitation, share issues, bonus issues, warrants, voting rights, convertible Financial Instruments, bonds, stocks and Financial Instruments which are subject to any acquisition or exchange offer. The IF shall have no responsibility nor shall it have any duty to notify the

Client in respect of any expiry dates or acquisition dates or to proceed to any actions on behalf of the Client without specific written orders from the Client which have been accepted by the IF in writing. In case the IF proceeds with any reminder in relation to the Financial Instruments of the Client or in relation to the exercise of a right or the conversion by the Client, the Parties hereby agree that such reminder shall not constitute the provision of the service of Investment Advice and such action shall not entail the assumption or recognition of any obligation on the part of the IF and that the Client shall remain responsible for all of the above without any prejudice to the foregoing.

14. Laws and Regulations

14.1 All transactions for the account of the Client shall be subject to the laws governing the constitution and operation, the rules, regulations, orders, circulars, customs and practices of the Cyprus Stock Exchange, the Athens Stock Exchange or any other Stock Exchange where the IF shall conduct transactions on behalf of the Client, the Cyprus Securities and Exchange Commission, the Market and those governing the operation of the investment firms and/or the provision of investment and ancillary services, as such rules, regulations, orders, circulars and customs shall be amended or altered from time to time. The IF shall be entitled to take or abstain from taking any measures necessary in order to comply with these rules, regulations, orders, circulars and customs in force from time to time. Any such measures taken and all rules, regulations, orders, circulars and customs in force or applicable shall be binding on the Client.

15. Breach of Obligations of Client

15.1 The Client shall deposit with the IF, before the execution of the order, any funds required for the execution of the order or any Financial Instruments the sale

of which is required from the IF in relation to his order. In case these obligations are not met, the IF shall be free not to execute and set aside the relevant order, in whole or in part, or to cancel the execution altogether. If the IF proceeds to execute the Client's order, though the Client has not fulfilled his obligations, the Client shall be obligated to deposit immediately the purchase price of the Financial Instruments, in case of purchase, or to deliver the Financial Instruments, in case of sale, and to deposit the IF's fee as well as the relevant duties or commissions or other expenses, otherwise the Client shall be considered instantly in arrears without any further notice. The Client shall be liable for any loss caused to the IF from this delay including for any loss of profit. Furthermore, the IF shall be entitled to debit any amount due to the Client's account with the IF or any other temporary account without prejudice to any other right of set off or attachment the IF may be entitled to.

15.2 All property assets, including any kind of Financial Instruments or funds which come, by any means, into the possession of the IF for account of the Client or the disposal of which the IF undertakes on behalf of the Client, shall be subject to the IF's right of lien. The IF shall therefore be entitled to refuse to deliver any of them to the Client or to any other person to the order of the Client until the Client carries out his obligations towards the IF. For this purpose, all other separate transactions between the Client and the IF shall be deemed to be governed by these terms. The IF shall not be liable for any losses caused to the Client or to any third party by the exercise of the right of lien or by any other lawful action which may be taken by the IF, for the settlement of its claims against the Client, including any future or contingent claims.

15.3 The Parties agree that in case the IF carries out a transaction on behalf of the Client which is not covered by the balance of the Client's account with the IF, the latter shall immediately pay the difference between the balance and the cost of the transaction. In addition, and without any limitation to the obligation of the Client to pay such difference, the Parties mutually acknowledge that the IF shall have the

following rights:

(1) To sell or in any other way liquidate any Financial Instruments or other property assets of the Client which are in the possession or control of the IF for any reason and to cover, with the proceeds a part of or the total of the difference. In case the property assets or Financial Instruments which are in the possession or control of the IF are more than one, the IF shall be free to choose the priority of liquidation at will.

(2) To withhold any amounts in cash or other property assets or Financial Instruments managed or possessed by it in any manner.

(3) If and to the extent permitted by law to set-off, without the consent of the Client, any amount held for the account or to the credit of the Client against any obligations of the Client to the IF or to combine any accounts of the Client held with the IF.

(4) For the purposes of **clause 15.3**, the balance of the Client's account with the IF may include an amount of loans, credits, other credit facilities or margin provided by the IF to the Client, if the Client and the IF have agreed for the provision of such loans, credits, credit facilities and or margin to the Client by the IF. Further to this, we will be under no obligation to remit any money to you if that would reduce your account balance (taking into account running profits and losses) to less than the Margin payments required on your open Transactions The Parties may sign an additional separate document for this purpose whose provisions shall apply specifically to that service. The provisions of the Agreement shall apply to the extent that they do not conflict with the provisions of such document. The IF shall be entitled to provide credits or loans and/or margin and enter into a relevant document with the Client provided that the said ancillary service shall be provided where and to the extent permitted by the Law and the Commission Delegated Regulation.

15.4 The Client shall bear any cost incurred by the IF for the management and any liquidation of the property assets or the Financial Instruments of the Client as well as for all legal and other expenses.

15.5 If the Client owes any amount to the IF, regardless of whether it is in arrears, the IF may require the Client to deliver to the IF as security for the amounts owed, any property assets or Financial Instruments which the IF shall deem necessary, the value of which should be equal to such percentage of the amount owed to the IF as the IF shall specify, in each case to the extent that this is permitted by law. To this extent, the Client shall be obligated to sign any requisite document and take all necessary action for the granting of any such security in favour of the IF.

15.6 The IF may refuse to proceed with its obligations under the Agreement, for as long as it maintains any claims against the Client, whether these are due, future or contingent and regardless of whether these arise from the same transaction from which the abovementioned obligations of the IF arise.

15.7 The IF shall be entitled to charge interest on each debt of the Client which has become in any way due and payable, at such rate as it may decide from time to time based on the IF's relevant policy to the extent permitted by law.

15.8 The Client shall fully reimburse the IF as soon as he is required to do so for any loss sustained in any way, which is due to acts or omissions of the Client or his Authorised Representatives or Attorneys.

16. Liability and Indemnity

16.1 Save in cases of gross negligence, wilful neglect or fraud on the part of the IF or its employees, the Client shall indemnify and keep the IF and or its directors and or its employees and or its representatives harmless and free from any claim by third parties and or for any loss, liability, costs or expenses which the IF may incur in respect of any act or omission of the IF in respect to the provision of the Services or as a result of any act or omission on behalf of the Client and or its Authorised Representatives or Attorneys.

16.2 The IF shall have no liability for any loss caused by misrepresentation of facts or by error of judgment or any act done or omitted to be done by the IF whenever caused, save to the extent that such misrepresentation or act or omission is directly due to the wilful neglect or fraud on the part of the IF and or its directors and or its employees and or its representatives.

16.3 The IF shall have no liability for any loss of opportunity as a result of which the value of the Financial Instruments of the Client would have otherwise been able to increase or for any decrease in the value of the Financial Instruments of the Client, howsoever caused, save to the extent that such loss or decrease is directly caused by the wilful neglect or fraud on the part of the IF or its directors or its employees or its representatives.

16.4. Where the IF considers, on the basis of the information it has received from the Client, that the product or Service is not appropriate to the Client, the IF shall warn the Client in compliance with the IF's duties under the Law. If, irrespective of the warning of the IF, the Client decides to proceed with such product or Service, the IF shall have no liability for any loss and or damage that the Client may incur or suffer as result of such decision.

17. Foreign Exchange

17.1 Any conversion required to be effected from one currency to another for the execution of any order or for effecting any transaction by the IF in accordance with or in relation to this Agreement, may be done by the IF in such manner and at such time as it may deem appropriate at its absolute discretion. The Client acknowledges and agrees that he shall undertake all risks arising from any such conversion and in particular, without prejudice to the generality of the above, the risk of loss which may be created as a result of the fluctuation in the exchange

rates.

17.2 Without prejudice to the generality of the above **clause 17.1.**, in case the Client does not fulfil his obligations mentioned in **clause 16** above, the IF shall have the right to debit any account of the Client held with the IF, with any amount connected with the execution of the Client's order in the currency of the relative transaction or at the IF's absolute discretion, with the respective amount in a currency in which the Client holds his account with the IF, at the spot rate of exchange as this shall be finally determined by the IF.

18. Fee, Charges, Commissions, and other Expenses

18.1 The IF shall be entitled to a fee in respect of the Services provided by it as this shall be specified by the IF from time to time depending on the type of transaction and in accordance with the IF's charging policy in force from time to time. The present amount and the method of payment of the IF's fee as well as any charges, commissions, taxes or other expenses shall be determined and published at the following link <http://ntfxpro.com/trader/contract-specifications/> . Any amendment of the **Contract specifications** effected by the IF in accordance with this clause may be effected by the IF unilaterally and shall be notified to the Client by means of Notice published on the website of the Company or alternative durable media communications. The IF shall disclose to the Client information on costs and charges as required by the Law and the Commission Delegated Regulation Further details, however, may be disclosed at the request of the Client. **Webpage with the Contract specifications** may be amended at any time during the duration of this agreement and any such action does not affect any other terms of this Agreement. The Parties may make specific provision in relation to the fees for any service to be provided pursuant to an Addendum to this Agreement in such Addendum in writing as Addendum to the present Agreement.

18.2 In addition to the fee of the IF as per **clause 18.1**, the Client shall pay to the IF immediately upon its demand all out of pocket expenses which the latter has

incurred during the provision of the Services or the execution of the orders, any Value Added Tax, any other tax, duties and levies, any fees payable to any third parties taking part in the provision of the Services or the execution of the orders and any other expenses incurred or which are payable in relation to the provision of the Services or the execution of the orders.

18.3 The Client hereby authorises the IF to debit immediately his account with the IF with the payable amounts as provided by **clause 18**. In case the Client does not maintain an account with the IF or there is no available balance in his account with the IF, the IF shall be entitled to debit any amount due in a temporary account at such rate of interest as provided in **clause 15.7**.

19. MARGIN TRANSACTIONS

19.1. Upon opening a Transaction, you will be required to pay us the Margin for that Transaction, as calculated by us ("Initial Margin"). Note that the Initial Margin for certain Transactions (for example, Share CFDs), will be based on a percentage of the Contract Value of the Transaction and therefore the Initial Margin due for such Transactions will fluctuate in accordance with the Contract Value. Initial Margin is due and payable to us immediately upon opening the Transaction (and for Transactions that have a fluctuating Initial Margin based on a percentage of the Contract Value, immediately on opening the Transaction and thereafter immediately on any increase in Contract Value taking place) unless:

(a) we have expressly told you that you have an account type that allows for longer payment periods for Margin, in which case you must pay Margin in accordance with the payment periods that we have advised to you, provided always that any credit or other limits placed on your dealings with us are not exceeded;

(b) we have expressly agreed to reduce or waive all or part of the Margin that we would otherwise require you to pay us in respect of a Transaction.

19.2. The period of such waiver or reduction may be temporary or may be in place until further notified. Any such waiver or reduction must be agreed in writing (including by email) by our authorised signatory or relationship manager (each an "Authorised Employee") in order to be effective. Any such agreement does not limit,

fetter or restrict our rights to seek further Margin from you in respect of the Transaction at any time thereafter; or

(c) we agree otherwise (any such agreement must be made in writing (including by email), by an Authorised Employee in order to be effective), in which case you will be required to comply with such terms as are stated in such written agreement.

19.3. You also have a continuing Margin obligation to us to ensure that at all times during which you have open Transactions you ensure that your account balance, taking into account all realised and/or unrealised profits and losses (“P&L”) on your account, is equal to at least the Initial Margin that we require you to have paid to us for all of your open Transactions. If there is any shortfall between your account balance (taking into account P&L) and your total Initial Margin requirement, you will be required to deposit additional funds into your account. These funds will be due and payable to us for our own account, immediately on your account balance (taking into account P&L) falling below your Initial Margin requirement unless:

(a) we have expressly told you that you have an account type that allows for longer payment periods for Margin, in which case you must pay Margin in accordance with the payment periods that we have advised to you, provided always that any credit or other limits placed on your dealings with us are not exceeded;

(b) we have expressly agreed to reduce or waive all or part of the Margin that we would otherwise require you to pay us in respect of your Transaction(s). The period of such waiver or reduction may be temporary or may be in place until further notice. Any such waiver or reduction must be agreed by an Authorised Employee in writing (including by email) in order to be effective. Any such agreement does not limit, fetter or restrict our rights to seek further Margin from you in respect of the Transaction at any time thereafter;

(c) we agree, by an Authorised Employee, otherwise in writing (including by email), in which case you will be required to comply with such terms as are stated in the written agreement; or

(d) we have expressly extended you a credit limit, and you have sufficient credit to cover your Margin requirements and are in compliance with any other conditions that we have imposed on you.

Importantly, if at any time your credit facility is not sufficient to cover the Margin requirement on your open Transactions, you must immediately place additional funds on your account in order to fully cover the Margin required. Any credit limits extended to you will not act to restrict your losses and no limit should be deemed as the maximum amount you could lose.

19.4. Details of Margin amounts paid and owing by you are available by logging on to our Electronic Trading Services or by telephoning one of our employees.

You acknowledge:

- (a) that it is your responsibility to be aware of, and further that you agree to pay, the Margin required at all times for all Transactions that you open with us;
- (b) that your obligation to pay Margin will exist whether or not we contact you regarding an outstanding Margin obligation; and
- (c) that your failure to pay any Margin required in relation to your Transactions will be regarded as an Event of Default for the purposes of Term.

19.5. Margin payments must be made in the form of cleared funds (on your account with us) unless, by separate written agreement, we accept other assets from you as collateral for payment of Margin.

19.6. We are not under any obligation to keep you informed of your account balance and Margin required (i.e. to make a 'Margin call') however if we do so the Margin call may be made by telephone call, post, email, text message or through an Electronic Trading Service.

19.7. We will be entitled, at any time, to increase or decrease the Margin required from you on open Transactions or to change the credit arrangements for your account.

19.8. You agree that, regardless of the normal way in which you and we communicate, we will be entitled to notify you of a change to Margin levels or the credit arrangements for your account by any of the following means: telephone,

post, email, text message, via one of our Electronic Trading Services or by posting notice of the change on our website.

19.9. Any increase in Margin levels will be due and payable immediately. Any change in the credit arrangements for your account will be effective at the time notified to you, which may include immediately. We will only increase Margin requirements or change the credit arrangements for your account where we reasonably consider it necessary, for example but without limitation, in response to or in anticipation of any of the following:

- (a) a change in the volatility and/or liquidity in the Underlying Market or in the financial markets more generally;
- (b) economic news;
- (c) a company whose Instruments represent all or part of your Transaction becoming or being rumoured to be going insolvent, being suspended from trading or undertaking a Corporate Event;
- (d) you changing your dealing pattern with us ;
- (e) your credit circumstances changing or our assessment of your credit risk to us changing;
- (f) your exposure to us being concentrated in a particular Underlying Market or a sector (being a selection of stocks in a market normally associated with a specific industry group);
- (g) our exposure is concentrated in a particular Underlying Market or a sector (being a selection of stocks in a market normally associated with a specific industry group) as a result of your Transactions with us in aggregation with transactions of other clients of ours;
- (h) a change in the margin charged by our hedging counterparties or the margin rules set by the relevant Underlying Market; or
- (i) any change to the Applicable Regulations.

20. Provision of Information to Client

20.1. The IF hereby provides the Client with the general information set out in **Appendix B**.

20.2 Where, for the purposes of the Commission Delegated Regulation and Directive DI144-2007-02, information is required to be provided in a Durable Medium and the provision of that information in that medium is appropriate to the context in which the business between the IF and the Client is carried on, the Client chooses in respect of Article 3(1) of the Commission Delegated Regulation and paragraph 4(1) of Directive DI144-2007-02 that the provision of the information be done by electronic communication to the address of the Client as specified above.

20.3(1) Where the IF has carried out an order, other than for portfolio management, on behalf of the Client, the IF:

(a) promptly provides the Client, in a Durable Medium, with the essential information concerning the execution of that order;

(b) sends the Client a notice in a Durable Medium confirming execution of the order as soon as possible and no later than the first business day following execution or, if the confirmation is received by the IF from a third party, no later than the first business day following receipt of the confirmation from the third party. The IF shall not send the notice where the confirmation would contain the same information as a confirmation that is to be promptly dispatched to the Client by another person. Again, the IF shall not send the above notice where orders executed on behalf of the Clients relate to bonds funding mortgage loan agreements with the Clients, in which case the report on the transaction shall be made at the same time as the terms of the mortgage loan are communicated, but no later than one month after the execution of the relevant order.

(2) In addition, the IF supplies the Client, on request, with information about the status of his order.

(3) In the case of orders relating to units or shares in a collective investment undertaking which are executed periodically, the IF either sends the above notice or provides the Client, at least once every six months, with the information listed in

paragraph 3 of Article 59 of the Commission Delegated Regulation and paragraph 19(4) of Directive D1144-2007-02.

20.4 Where the Client is provided with the Portfolio Management services and has been classified as a retail client and the Client's account includes positions in leveraged financial instruments or contingent liability transactions, the IF shall inform the Client, where the initial value of each instrument depreciates by 10 % and thereafter at multiples of 10%. Where applicable, the Parties hereby agree that reporting under this paragraph may not be on an instrument-by-instrument basis. Such reporting shall take place no later than the end of the business day in which the threshold is exceeded or, in a case where the threshold is exceeded on a non-business day, the close of the next business day.

20.5 Where the IF holds client financial instruments or client funds it sends at least once a year, to the Client for whom it holds financial instruments or funds, a statement in a Durable Medium of those financial instruments or funds unless such a statement has been provided in any other periodic statement.

20.6 Any objections by the Client regarding any item included in the information sent to him as per **clauses 20.2 and 20.3** above, should be submitted to the IF in writing within fifteen (15) days from the date he is informed. Otherwise, the Client shall be deemed to have accepted all items included in the above information.

20.7 The Client may submit to the IF in writing his objection as to the execution or non-execution or the manner of execution of the transaction carried out for his account within two (2) business days from the date of confirmation. Failure of the Client to act as above shall prevent the Client from raising any objection, contestation or dispute with respect to the transaction executed for his account.

21. Assignment of Duties – Outsourcing/Delegation - Representatives

21.1 The IF shall have the right to appoint representatives to execute any administrative or other services so as to enable the IF to execute its obligations under the Agreement. The IF shall act in good faith and shall exercise due care, in selecting and using the representatives.

21.2 The IF shall have the right, after giving written notice of the details of any outsourcing or delegation of any Service to the Client, to outsource or delegate any of its duties under the Agreement to an associate, affiliate or subsidiary or to any third person or persons and may provide information in relation to the Client and or the Portfolio to any such person. However, the liability of the IF to the Client in respect of all matters assigned to the associate, affiliate, or subsidiary, person or persons shall not be affected.

21.3 Any such associate or representative assuming the obligations set out above shall meet the requirements of the Law.

22. REGULATORY REPORTING

22.1. We may be obliged under Applicable Regulations to make public certain information regarding our Transactions with you. You acknowledge and agree that we are entitled to disclose such information and that such information held by us shall be our sole and exclusive property.

22.2. agree to provide us with all information that we may reasonably request for the purpose of complying with our obligations under Applicable Regulations and that you consent for us to provide to any third party such information about you and your relationship with us pursuant to this Agreement (including but not limited to your Transactions or money on your account) as we consider, acting reasonably, appropriate or as required to comply with any Applicable Regulation or Term of this

Agreement

22.3. If you are a legal entity, our Transactions with you may need to be reported under the EMIR Regulation on OTC Derivatives, Central Counterparties and Trade Repositories (648/2012). If they are required to be reported, you agree that we will generate the unique trade identifier in relation to each relevant Transaction. Please contact one of our employees for this information.

If you are a legal entity, you agree that we may in certain circumstances obtain a Legal Entity Identifier (LEI) on your behalf. You agree that we may do so if we consider that it is necessary in order to allow you to enter into Transactions with us and that we may pass on to you any charge we incur to obtain a Legal Entity Identifier (LEI) on your behalf and to levy an administration charge to cover our costs in doing so.

23. Power of Attorney and other Documents

23.1 The Client shall sign any document which in the opinion of the IF is fair and necessary for the provision of the Services by the IF under the Agreement, including without limitation, powers of attorney for the execution of his orders. Any such power of attorney shall constitute an integral part of the Agreement.

24. Market Abuse

24.1. We may hedge our liability to you by opening analogous positions with other institutions or in the Underlying Market. The result of our doing this is that when you open or close a Transaction relating to a share or other Instrument with us, your Transactions can, through our hedging, exert a distorting influence on the Underlying Market for that Instrument, in addition to the impact that it may have on our own prices. This creates a possibility of market abuse and the function of this Clause is to prevent such abuse.

24.2. You represent and warrant to us now, and agree that each such

representation and warranty is deemed repeated each time you open or close a Transaction, that:

(a) you will not open and have not opened a Transaction or Transactions with us relating to a particular share price if to do so would result in you, or others with whom you are acting in concert together, having an exposure to the share price that is equal to or exceeds the amount of a declarable interest in the relevant company. For this purpose the level of a declarable interest will be the prevailing level at the material time, set by law or by the Exchange(s) on which the underlying share is listed;

(b) you will not open and have not opened a Transaction with us in connection with:

(i) a placing, issue, distribution or other analogous event;

(ii) an offer, take-over, merger or other analogous event; or

(iii) any other corporate finance style activity, in which you are involved or otherwise interested; and

(c) you will not open or close a Transaction and you will not place an Order that contravenes any primary or secondary legislation or other law against insider dealing or market manipulation. In the event that

(a) you open or close any Transaction or place an Order in breach of the representations and warranties given in present Agreement or

(b) we have reasonable grounds for suspecting that you have done so, we may, at our absolute discretion and without being under any obligation to inform you of our reason for doing so, close that Transaction and any other Transactions that you may have open at the time, if applicable, and also, at our absolute discretion:

(a) enforce the Transaction or Transactions against you if it is a Transaction or Transactions under which you have incurred a loss;

(b) treat all your Transactions that meet the circumstances set out in this Clause as void if they are Transactions under which you have secured a profit, unless and until you produce evidence that satisfies us that you have not, in fact, committed the breach of warranty and/or misrepresentation the suspicion of which was the ground for us taking action under this Clause. For the avoidance of doubt, if you do not

produce such evidence within the period of three months from the date on which action is taken by us under this Clause , all such Transactions will be finally null and void as between you and us; or

(c) cancel any Order on your account with us.

24.3. You acknowledge that the Transactions in which you deal with us are speculative instruments and you agree that you will not open any Transactions with us in connection with any corporate finance style activity.

24.4. You acknowledge that it would be improper for you to deal in the Underlying Market if the sole purpose of such a transaction was to impact on our bid or offer prices, and you agree not to conduct any such transactions.

25. Authorised Representative - Attorney

25.1 In case the Client wishes a third person to manage his Financial Instruments and other issues related to this Agreement he must inform the IF in writing of the name of the said person (hereinafter called the “Authorised Representative / Attorney”). The Client acknowledges that the IF shall have dealings with this person only upon production by the latter of a power of attorney granted by the Client, satisfactory to the IF at its absolute discretion. Unless and until the IF is informed in writing that the authority has been withdrawn, any action taken by it in conforming with instructions given under such authority will be binding on the Client.

25.2 The IF may specify from time to time, the form, the content, adequacy and completeness of the authorisation of any person to give orders to the IF in relation to the Client and his Financial Instruments. It is further provided that where the Client is a legal person, the term “Authorised Representative / Attorney” shall include the person duly authorised by relevant resolution of the appropriate body of the legal person or by a Power of Attorney, to act on behalf of such legal person.

25.3 Any order given by any such duly Authorised Representative / Attorney, shall

be deemed to have been given by the Client and the Client acknowledges and accepts any such order as if given by him and shall be fully responsible for all consequences resulting from the fact that the IF has acted pursuant to such order.

25.4 In case the Client as the person in whose name the Financial Instruments are registered is acting as authorised representative of a third person whether such person has been indicated to the IF or not, the IF shall consider the Client as being the IF's only Client and that he is acting for himself on the basis of the Agreement. Such third person shall not be considered as a Client of the IF whether directly or indirectly, under any circumstances and the IF shall bear no responsibility towards such person.

26. Investors Compensation Fund for Investment Firms' Clients

26.1 In this Agreement, the Investor Compensation Fund for Investment Firms clients as per paragraph 1 of section 59 of the Investment Services and Activities and Regulated Markets Law of 2007 shall apply to the investment and or ancillary services provided by the IF.

27. Acknowledgment of Risks - Safekeeping

27.1 The Client acknowledges that the Financial Instruments or funds of that client may be held by a third party on behalf of the IF and in such cases the Client may not be fully protected against the insolvency of the third party or in case of any act or omission of any such third party or may not be covered by the Investor Compensation Fund for Investment Firms Clients.

27.2 The Client acknowledges that funds or Financial instruments of the Client may be held in an omnibus account by a third party and in such cases the Client may not be fully protected against the insolvency of the third party or in case of any act

or omission of any such third party.

27.3 The Client acknowledges that Financial Instruments of the Client may be held with a third party and such Financial Instruments may not be separately identifiable from the proprietary financial instruments of that third party or of the IF and in such cases the Client may not be fully protected against the insolvency of the third party or in case of any act or omission of any such third party.

27.4 The Client acknowledges that accounts that contain Financial Instruments or funds belonging to the Client may be subject to the law of a jurisdiction other than that of a Member State and the rights of the Client relating to those Financial Instruments or funds may differ accordingly.

27.5 The Client acknowledges that a depository may have a security interest or lien over, or right of set-off in relation to Financial Instruments or funds belonging to the Client.

27.6 The Client acknowledges and without any reservation accepts that, notwithstanding any investment advice or information which may have been given by the IF, the value of any investment in Financial Instruments may fluctuate either upwards or downwards.

27.7 The Client acknowledges and without any reservation accepts the existence of a substantial risk of incurring losses and damages as a result of buying or selling any Financial Instrument and acknowledges his willingness to take such risk.

27.8 The Client declares that he has read, understands and without any reservation accepts the following:

(1) Information regarding past returns of a Financial Instrument does not guarantee

the future returns. The use of historic data does not constitute necessarily a safe forecast as to the corresponding future return of the Financial Instruments to which such data refer.

(2) Certain Financial Instruments may not be capable of being liquidated immediately due to reasons such as reduced demand and the Client may not be in a position to readily sell them or receive easily any information on the value of such Financial Instruments or the extent of the risks relating to such Financial Instruments.

(3) Warrant is the right to acquire shares or other securities with or without the deposit of a certain amount to the issuer. If the Client does not exercise such a right to acquire shares or other securities during the exercise period of the Warrants, upon expiry, the Warrants lapse and have no value whatsoever.

(4) The value of the Warrants is directly affected by the price of the share or security which may be acquired when the warrant is exercised. For example, a minor change in the price of the share or security which shall be acquired may result in a major change in the price of the Warrant. Consequently, the value of the Warrant is highly volatile.

(5) The Client should not purchase Warrants unless and until he is prepared to lose all funds invested and any commissions and other expenses incurred by him.

(6) When a Financial Instrument is negotiated in a currency other than the currency of the country of residence of the Client, any changes in the exchange rates may have a negative effect on its value.

(7) Any Financial Instrument in foreign markets may entail risks different than the ordinary risks in the market at the Client's country of residence.

27.9 The nature and extent of the risks mentioned above vary from country to country and depend on the Financial Instrument on which the investment shall be effected. In general, the risk factor is affected inter alia by:

(1) The type of the intended investment.

(2) The manner in which the specific investment is effected or the specific Financial Instrument is offered or negotiated or sold.

- (3) The needs and profile of the investor.
- (4) The market in which the Financial Instruments are negotiated and whether such market is regulated or not.
- (5) The political risk in the country of the relevant Market or the country of the issuer.
- (6) The clearing and settlement system applicable to the relevant Market.
- (7) The place of registration or business, the capitalisation and the main business of the issuer.
- (8) The risk of insolvency of the issuer.
- (9) The complexity of the transaction.
- (10) Whether the transaction is connected with margin payment or the granting of credit or deposit of collateral or whether it is a leveraged transaction.
- (11) The counter-party risk.

27.10 The Client acknowledges that although aggregation of orders will generally be to the benefit of the Client, for instance to obtain better execution or reduced foreign exchange or other dealing costs by being part of a larger transaction, on occasions, aggregation and allocation may result in the Client obtaining a less favourable price.

27.11 The Client acknowledges and accepts that there may be other additional risks apart from those mentioned above.

28. Conflict of Interest

28.1 The IF shall apply the conflict of interest policy (as well as the steps taken by IF to mitigate those risks) adopted by the IF in relation to the Services to be undertaken for the Client as such policy shall apply from time to time. The conflict of interest policy as currently adopted is set out in a separate document which the IF has disclosed to the Client on the webpage <http://ntfxpro.com/about->

[company/client-documents/](#) and which the Client acknowledges that it was read by it. Such disclosure takes into account the nature of the Client. The IF may amend its conflict of interest policy at any time during the duration of this Agreement subject to the absolute discretion of the IF and any such amendment shall not otherwise affect the provisions of this Agreement. At the request of the Client, the IF shall provide to the Client further details of the conflicts of interest policy in a Durable Medium

28.2 Notwithstanding the provisions of **clause 28.1** above, the IF declares that it shall take all possible measures in order to prevent or solve any conflict of interest between itself or persons associated with itself and its clients on the one hand, or amongst its clients inter se on the other hand. The IF, however, draws the attention of the Client and the Client concurs to the following possible events of conflict of interest:

(1) The IF or any associated company or any company which is a member of the group of companies to which the IF belongs may:

- (a) be an issuer of instruments in which the Client wishes to effect a transaction,
- (b) enter into a contract with the Client in order to execute his order,
- (c) act for own account or for another Client as purchaser or seller and may have an interest in securities of the issuer in which the Client wishes to effect a transaction,
- (d) act as advisor, investment manager, underwriter, market maker, creditor, issuing manager, or may have a commercial or other interest with any issuer or third party,
- (e) pay a fee to any third persons who introduced the Client to it or acted in any manner beneficial to the IF or so that the Client's orders are placed with the IF,
- (f) be entitled to receive any amount in the form of commission or otherwise from any third person in relation to any Financial Instrument or investment product or Services.

(2) The IF may execute differing orders for the account of different Clients.

31. Termination

31.1 The Parties shall be entitled to terminate the Agreement at any time by giving to the other Party a thirty (30) days written notice.

- (2) filing of a petition or issue of judgment or order for winding up or liquidation or bankruptcy of the Client,
- (3) in case the Client comes into an agreement or arrangement with its creditors,
- (4) the Client being guilty of malicious conduct or gross negligence or fraud or of

using fraudulent means in relation to the execution of this Agreement,

(5) failure or refusal of the Client to fulfil or comply fully with any of its obligations under the Agreement,

(6) failure to provide the IF with any information or documentation for the purposes of compliance of the IF with its obligations pursuant to the Law and any other applicable laws, including but not limited to legislation applicable in relation to prevention and suppression of money laundering and antiterrorist financing,

(7) the IF has suspicion of money laundering and antiterrorist financing,

(8) if so required by any competent authority,

(9) the Client becoming, whether directly or indirectly, subject to sanctions and or restrictive measures issued by the European Union and or any other jurisdiction and or international organisation and or body,

(10) it is so required by any law or applicable legislation and or if this is necessary in order for the IF to comply with its obligations under any law or regulatory requirement,

(11) revocation of the Power of Attorney referred to in **clause 25** above.

31.3 It is further provided that in case of termination of the Agreement, any lawful rights or obligations which have arisen during or before the termination of the Agreement shall not be affected and the Client shall be obliged to pay to the IF, inter alia:

(1) any outstanding fee of the IF and any other amount payable to the IF,

(2) any additional expenses which the IF incurs or shall incur as a result of the termination of the Agreement, and

(3) any losses arising during the arrangement or the settlement of the outstanding obligations.

31.4 Upon termination of the Agreement, the IF shall arrange, as soon as possible, for the delivery to the Client or to his order of any funds or Investments

or Financial Instruments of the Client which are in the IF's possession, provided that the IF shall retain all rights it may have for the payment of any outstanding

obligations of the Client including, without any limitation, the payment of any sum which the Client owes to the IF under the Agreement. The IF shall be entitled to sell such Investments or Financial Instruments to cover any outstanding obligations of the Client.

The IF shall update the Client's details by written notice to the Client every one (1) to three (3) years or at any time it deems necessary.

32.2 The Client undertakes the obligation to inform immediately the IF in writing of any change in these details as well as any revocation or change in the authority granted for his representation (in particular, the Power of Attorney), otherwise the IF shall not be liable for the execution of transactions which are based on the details provided to the IF prior to receiving notice of such change.

32.3 The Client hereby undertakes to provide any further information and documentation, including but not limited on information on the Client's existing Investments, required by the IF that might relevant to the IF for the purposes of compliance with the IF's obligations pursuant to the Law and any other laws, including but not limited to legislation applicable in relation to prevention and suppression of money laundering and antiterrorist financing.

33.4 If the IF transfers personal data of the Client that it collects under the present

Agreement to a country outside the European Union and or uses the services of data controllers or processors (as described in GDPR) outside the European Union, the IF must ensure that such controllers and or processors only act on the IF's documented instructions; impose confidentiality obligations on all personnel who process the relevant data; ensure the security of the personal data that they process; abide by applicable rules regarding appointment of sub-processors; implement measures to assist the IF in complying with the rights of the Client; assist the IF in obtaining approval from appropriate authorities where required; at the IF's election, either return or destroy the personal data at the end of the relationship (except as required by European Union or Member State law); and provide the IF with all information necessary to demonstrate compliance with the GDPR.
